

Super Petrel USA Tri-Fecta Event

November 9-12, 2022 | Ormond Beach, Florida

Tel: 855-557-7872 | rhelton@superpetrelusa.com | www.superpetrelusa.com

November 9th

Super Petrel USA, is once again hosting their annual mainance training event There will be an "Ice-Breaker" beginning at (6:00 pm) on Nov. 9th for a meet and great session. Beer and Nuts!

November 10th

On Thursday, beginning at (8:30 am) class will start and continue until (4:00 pm). During the afternoon session, we will have a ROTAX 915iS engine presentation given by Edouard Rondeaux on behalf of the ROTAX FLYING & SAFETY CLUB. Beginning at (5:30

pm) Rodrigo Scoda, will present " Super Petrel Brazil" with an in-depth behind the scenes look at Scoda Aeronautica, LTDA in Ipeuna Brazil. More Beer and Nuts!

November 11th

On Friday, beginning at (8:30 am) class will start and continue until (4:30 pm) that afternoon. No Beer and Nuts.

November 12th

On Saturday, beginning at (8:30 am) class will start and continue until completion around (2:00 pm). Beer and Nuts are gone!

The training course will focus entirely on the 100 hour (annual) Line Maintenance compliance inspection that may be located on the Scoda Aeronautica website. Section 12-5.

https://www.scodaeronautica.com.br/blog_anexos/e36c395f92ab93b97b58d992d161beaf.pdf

The cost per person for the training event is **\$400.00** and can be paid by credit card or check or cash at the beginning of class on Thursday, November 10th. Lunch will be served each day at the hangar.

Please send an email to rhelton@superpetrelusa.com to pre-register for the course. Seating is limited.

Here is a look at the Tri-Fecta Event in 2021.
